

Trans Health Project

Working for Transgender Equal Rights

Connecticut Medicaid Regulations and Guidance

Connecticut Medicaid policy covers transgender-related health care.

Handbooks and Provider Manuals:

Provider Manual: [Provider Policies and Procedures](#)

Historical Notes:

[Adoption of Regulation Concerning Coverage of Gender Dysphoria Services](#)

Notes:

2022 changes to the provider manual include:

- surgery is only available to people age 18 and older
- surgery requires evaluations from 2 mental health professions, the most recent within six months of the request
- additional changes to coverage requirements for facial gender reassignment (facial feminization) surgery, among other procedures
