Facial surgery for gender dysphoria - Hormone provider or surgeon checklist

Use this checklist to ensure that each element is included in your letter. Use language that is client specific; do not simply copy this checklist.

specific, do not simply copy this checklist.
Identification of the procedure and diagnosis (per WPATH SOC p. 28)
 ☐ The duration of the provider's relationship with the patient ☐ That the patient has gender dysphoria ☐ Procedure needed
Hormone use
 □ What hormone therapy the patient is on □ Date started and length of time on hormones □ That the patient takes the hormones consistently and appropriately □ Limits of hormones on ability to change facial features □ That hormone therapy has been insufficient to change the shape of her face to alleviate gender dysphoria
Face dysphoria
 □ Any complaints that the patient has stated about her face or misgendering □ Describe facial features that are typically male □ Surgeon: describe how the specific procedures will change those features from male to female
Capacity to make a fully informed decision and to consent for treatment
 □ Patient has capacity to make a fully informed decision □ Patient has provided informed consent for surgery (if you have discussed it with them)
Statement of medical necessity
 □ Indicate if you recommend surgery □ If you find it to be accurate, use the phrase "medically necessary," which is defined in insurance policies simply to mean clinically appropriate care to treat a condition in accordance with generally recognized standards of care □ Indicate if the surgery is undertaken for the purpose of treating gender dysphoria and will help to alleviate the person's gender dysphoria □ If you have seen this surgery help other trans patients, note that

State the qualifications of the provider

Discuss your credentials as applicable. Omit things that do not apply.
☐ Education and degree
☐ Licensure
☐ Length of time & experience working with/diagnosing trans patients
☐ Number/percentage of trans patients seen, if a significant part of your practice
 Continuing education in the assessment and treatment of gender dysphoria;
☐ Relevant professional associations
☐ Relevant publications
☐ Relevant trainings given, courses taught
☐ Consider attaching CV if a specialist
